

Ride for the Foundation FUNdraiser

Steve Grandon and his Harley have done it again. While our annual conference was cancelled due to the pandemic, Steve, socially distanced and wearing a mask, (Hi Ho Hog!) completed his annual ride over Memorial Day weekend from this year's site to next year's site. Check out the PowerPoint presentation on the Foundation's home page (www.rwief.org) for photos and hints about the particular route from Minneapolis to San Antonio. Steve's ride is sponsored by Liberty Core Consultants who is graciously providing the \$1,000 cash prize.

For each \$10 donation, receive one trip odometer guess and a chance to win **\$1,000!** Multiple \$10 donations receive multiple guesses, i.e. \$50 = 5 guesses.

To donate, enter your mileage guess and have a chance to win, go to www.rwief.org links on our home page or to www.libertycore.com and click on the motorcycle.
